UPDATED - The Ghana Extractive Industries Transparency Initiative (GHEITI) secretariat together with the EITI National Steering Committee, have completed the production of the 2010/2011 final draft Ghana EITI Audit Reports. The Stakeholders have provided critical data and other inputs for the production of the reports. To ensure that the final reports accurately reflect stakeholders' inputs the Ghana EITI secretariat is organising a technical validation round table workshop to discuss the report.

Venue: Coconut Grove Regency Hotel
Date: Thursday, 21st February 2013
Time: 9am
