

The Ghana EITI in collaboration with the German International Co-operation (GIZ) are organizing EITI sensitization and dissemination workshop for members of the **Parliamentary Select Committees of Mines and Energy, Finance and Public Accounts**

from

8th –10th November, 2013 at the Elmina Beach Resort, Central Region

.

The objective of the two- day workshop is to sensitize members of the Select Committees of Mines and Energy, Public Accounts and Finance on the activities of the Ghana EITI and to share with them, the critical findings and recommendations of the Ghana EITI Aggregation and Reconciliation Reports for mining and oil and gas for the periods 2010/2011 and also discuss the draft GHEITI Bill.
